Become a Business Partner in Education

EVERYONE BENEFITS FROM THE CONTINUED QUALITY OF PALO ALTO PUBLIC SCHOOLS

Not only do excellent public schools contribute to our healthy property values and business climate, but they attract and retain the remarkable people and businesses who seek to locate here. Palo Alto Partners in Education (PiE) offers the PiE Business Partners in Education program as an easy, direct way for our community businesses to support our outstanding local public schools. When you become a Business Partner in Education, you partner your business with a trusted and respected non-profit foundation that in 2011-12 raised \$4.5 million for our schools. By supporting PiE, you help provide the quality education that our community's children deserve and strengthen the future of Palo Alto and your business.

WHAT DOES PALO ALTO PARTNERS IN EDUCATION (PiE) DO?

Palo Alto Partners in Education is our education foundation that raises funds from thousands of parents and community members for all Palo Alto Unified public schools. PiE dollars provide more than half of the flexible funding that Palo Alto public school principals have to spend on enriching education, adding guidance, and helping all students meet their potential. As a district-wide organization, PiE equitably distributes funding on a per child, per school level basis. PiE also selectively funds grants for innovative programs and materials to teachers, staff, parents or students.

WHY SHOULD I BECOME A BUSINESS PARTNER IN EDUCATION?

The Business Partners in Education program has multiple levels to recognize your donation – choose a level most appropriate for your business for each year you participate. This program makes your support for public schools visible to thousands of PiE donors and potential donors and shows that you share our community's value of high-quality public education.
