General Information

Come join us at the Danville Fine Arts Faire and the Palo Alto Festival of the Arts and be part of the Italian Street Painters at these exciting events. A centuries-old tradition in Italy, but seldom seen performed at popular art and crafts festivals throughout the United States.

Professional and practicing artists may apply as volunteer street painters. There are no fees required to apply or to participate. Artists may have assistants (depending upon the complexity of the painting and the size of the space). Artists will be provided with a 24 to 48-piece box of chalk for each square. If some colors in the design are predominant, it is up to the artist to provide his own. Participants should take into consideration that many families attend these events and that the subject matter of their work should be appropriate for all age levels.

Selection

Criteria for selection will be based upon the artist's use of color, appropriateness of subject matter and complexity of design.

Indicate your #1 & #2 choice for square size

_____ 6' wide x 8' high (vertical) _____ 8' wide x 6' high (horizontal)

_____ 9' wide x 12' high (vertical) _____ 12' wide x 9' high (horizontal)
